

**LEGEND**

**Heavy Mineral Sample**

- First pass
- Follow-up pass
- Final pass

**Heavy Mineral Gold**

- Light blue line Non-anomalous
- Yellow line Anomalous
- Pink line Strongly anomalous

**Soil Geochemistry**

- Purple dot >20 ppb au
- Black dot >100 ppb au

**GEOLOGY**

**Tertiary**

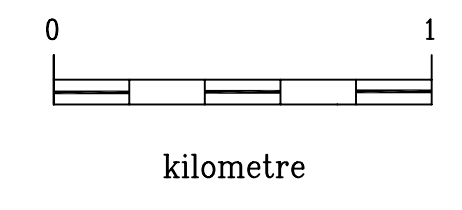

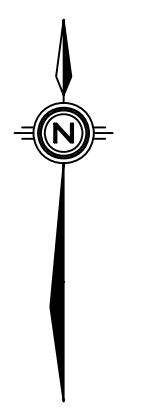

- 4 Porphyritic granite, latite porphyry syenite
- 3 Feldspar porphyritic andesite
- 2 Andesite, lesser basalt and dacite; minor mafic tuff and feldspar porphyritic andesite

**Jurassic/cretaceous**

- 1 Granodiorite, porphyritic granodiorite

**Geological boundary**

- - - - - Geological boundary
- Fault
